COMMUNITY CENTER:

We have the new computer up and running and I purchased the new Router and printer. And I sent off the receipts so we should be getting a check from SDAO.

I also applied to Grants Pass Rotary for a scholarship for the playground.

We have several rentals coming up. One inquiry online to the Website. Haven't heard back from her, it is for an estate sale. Celebration of life, reunion, Awards banquet for Civil Air Patrol.

Don't forget our Candidates Forum April 25. I am asking Yunker and Seligman to come. Also, Lynda's group is meeting on 18 April. I sent out a PSA for the Candidates Forum and will put in an ad before the date. I need to know how many will be here to help set up? We will need chairs unstacked because us short people can't reach the top of them.

Our Josephine County Food Bank will start 11 April noon-2:00 every Thursday, so if y'all know people that need help with food let them know. They also need volunteers for that day. You will need your Food Handler's license.

We need to nail down dates for Hot Summer Nights and Cool Merlin Music, I will get the Flyer out to take around to businesses to sponsor a band. At the next meeting we can narrow down the final details,

New Business?

New Business:

Our next meeting is MAY 6, 2024
